### Shiraz

Vintage 2016 Paarl

#### Vintage:

The 2016 vintage was one of the driest and hottest years we have experienced in ages. A dry winter followed with a dry summer and the tonnes per hectare were less. It did, however, result in small berries and great fruit concentration for the wines.

#### Vineyard:

**Terroir:** The vineyards are on the northern and eastern foothills of Simonsberg known for its weathered granite, ideal for farming top quality Shiraz.

**Climate:** The long, warm summers, typical to the Mediterranean, is also enjoyed in Paarl and it creates the ideal environment for ripening varieties like Shiraz and Chenin Blanc.

#### Cellar:

Grapes were handpicked early March. Berries were sorted before a slow fermentation on the skins, punch downs for colour extraction coaxes depth of colour and flavour before malolactic fermentation and maturation took place.

#### Tasting Note:

The Shiraz has an intense dark ruby red colour with flavours of plums, blackcurrants and pepper with hints of dark chocolate and mixed spice. On the palate, it boasts with blackberry fruits, violets and black pepper.
